# APPLICATION INSTALLATION INSTRUCTIONS

1. Once the game is downloaded, you can find it in the recent downloads history by clicking the icon shown in Figure 1 a. Then, click the folder icon to navigate to the folder where the file was downloaded (Figure 1 b). Note: The file is located in the "Downloads" folder.

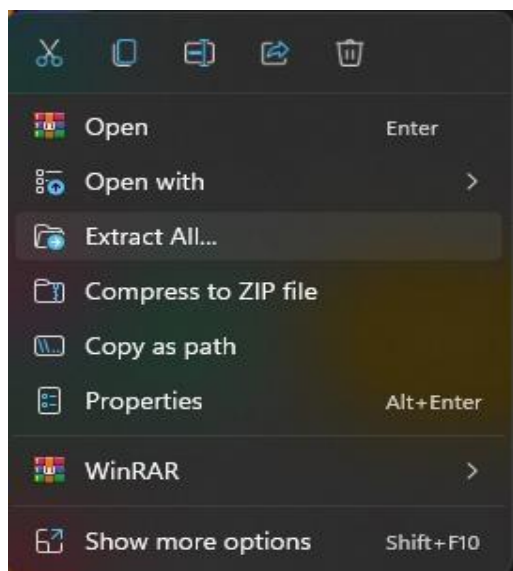

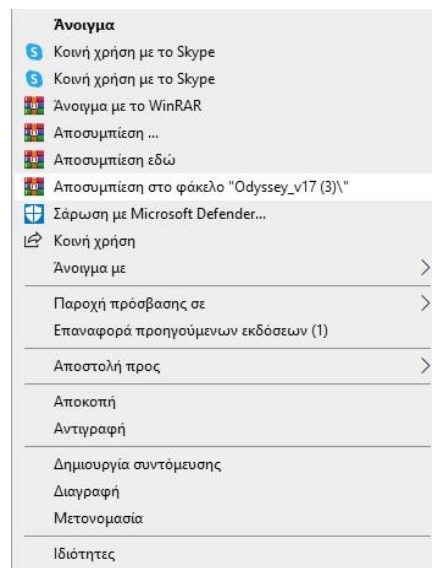

(a)   (b)

Figure 1. Locating the Downloaded File.

2. After locating the file in the folder where it was downloaded, right-click on it and select "Extract All," "Extract," or "Extract Here" (Figure 2 a). If you are using WinRAR, click "Extract to Folder [Folder Name]" (Figure 2 b).

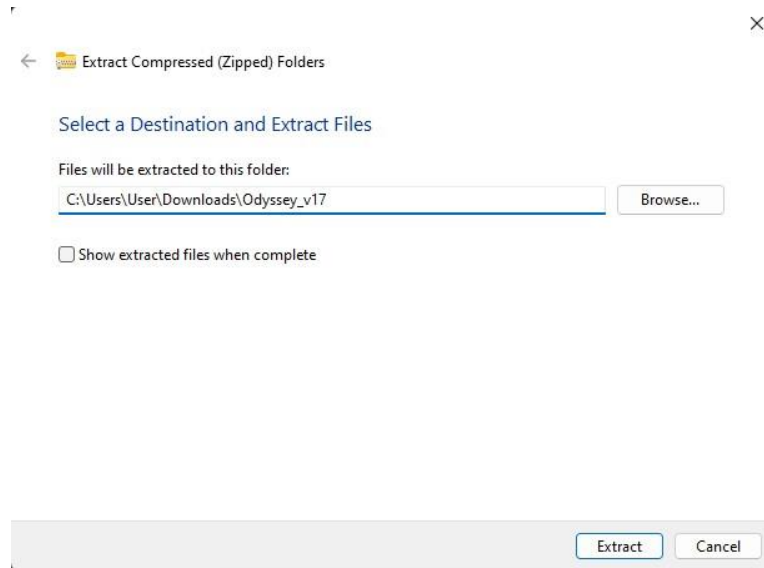

(a)   (b)

Figure 2. Extracting the File

3. Select the location where you want the extraction to take place (Figure 3). Note: It is usually left at the default location, which is the same folder as the compressed file.

Figure 3. Choosing the Extraction Location

Open the folder created from the extraction process and click on the executable application named "Odyssey" (Figure 4).
